Dear Sonya,

This letter confirms that the vineyard audit completed in 2009 of Saint Clair - Doctors Creek Vineyard MB014 Saint Clair - Awatere Vineyard MB1190 Saint Clair - Delta Vineyard MB1191 Saint Clair - James Sinclair Vineyard MB1192 Saint Clair - Omaka Vineyard MB059 Saint Clair - Rapaura Vineyard MB422 was successful. The audit, completed by Water and Atmosphere Information Ltd (WAI), confirmed that your vineyard practices and record keeping met the Sustainable Winegrowing New Zealand standards. The audit has shown that you are clearly committed to the programme and we congratulate you on gaining '**Accredited Vineyard**' status.

Please consider this letter verification of your audit result and membership status. This letter is valid until your annual self audit/scorecard is completed in mid 2010. You can expect your next external audit to be completed by 2012. Please ensure you keep this letter on file for audit purposes.

If you wish to promote your accreditation, application forms for logo use, including signage are available on the website.

We look forward to your ongoing commitment to the aims and philosophy of the Sustainable Winegrowing New Zealand® programme.

Regards
