

# PIONEER BLOCK 1

## FOUNDATION SAUVIGNON BLANC

This vineyard site has proved to be the building block for some of Saint Clair's finest wines.

### BLOCK: 1

#### REGION:

The site was previously part of the Wairau floodplain, which built up the deep free-draining soils.

#### TERROIR:

**Soils:** Deep, fertile, free-draining soils.

**Topography:** Flat, approximately three metres above sea level.

**Climate:** Slightly cooler than most of the Marlborough Valley with a slower annual ripening period.

### REGIONAL CHARACTERISTICS AND CONTRIBUTION TO UNIQUENESS OF FLAVOURS:

The highly fertile soils of this vineyard have been built up over time by annual flooding and help to produce the intensity of flavour in the wine. The vineyard is now protected by a stopbank.

#### VITICULTURE:

The fruit was sourced from a single vineyard owned by the Sowman family, on the fertile, free-draining soils of the lower Wairau Valley. The fruit was carefully monitored during ripening and harvested in the cool of the evening at maximum flavour maturity and physiological ripeness.

#### WINEMAKING:

The juice was pressed off immediately following harvesting to minimize skin contact and juice deterioration. After settling, the juice was fermented using a selected yeast strain in stainless steel at cool temperatures to retain fruit flavour and freshness. This batch was selected as a Pioneer Block wine due to its power and intensity of flavour.

#### COLOUR:

Pale straw with a slight green hue.

#### AROMA:

Aromatic white currant and fragrant tropical fruit with a hint of cut grass.

#### PALATE:

Luscious ripe grapefruit and green guava flavours. The palate is chalky in texture and has a long lingering finish.

#### AGEING:

Drinking beautifully now and best enjoyed over the next two years.

#### WINE ANALYSIS:

Alcohol 13% v/v, Titratable Acidity 7.2g/litre, Residual sugar 2.2g/L, pH 3.44

#### FOOD MATCH:

Well matched with smoked salmon and steamed green-lipped mussels.
